

# VIEILLES VIGNES

*de la Jasse*

The true housewine, the first we have been vinifying since 1995. The one we pass down from generation to generation, the common thread with our customers and their children.

The idea behind this wine was first a bet. To plant Cabernet Sauvignon on limestone soil, to vinify it like a wine from Medoc or Napa Valley, but here in Languedoc, South of France. A matured Cabernet, where the liquorice and eucalyptus freshness perfectly pairs with the peppery spices from the grape variety..

Vieilles Vignes de la Jasse is a family meal where the fireplace is lighted up, children run around the table. A powerful wine yet refreshing, great paired with meat, creamy cheese and long winter nights. We love being surprised by this wine every year by keeping it with patience and sharing it with friends.
